

JUNCHAO ZHU

Creative Designer | Visual Communication | Brand Identity | Campaign Visual Design

Canterbury, Kent, UK | 7436311903 | junchaozhu2003@outlook.com | junchaozhu2003.github.io

PROFILE

Visual Communication graduate developing work across brand identity, campaign visual design and cross-platform communication. Interested in creating engaging brand experiences across digital products, campaigns and physical touchpoints through research-led and user-focused visual communication.

SELECTED PROJECTS & EXPERIENCE

Nanchang City Symbols | Visual Identity System Project

Selected Academic Project | Brand Identity / Campaign Graphics / Cultural Communication

- ? Developed a city visual identity system introducing Nanchang to international audiences through simplified landmark icons and accessible visual communication.
- ? Designed a cohesive system across postcards, campaign graphics, calendars, tourism communication materials and multi-platform visual assets.
- ? Built layout systems, colour palettes and application mock-ups to test consistency across print, digital and object-based touchpoints.
- ? Explored how visual symbols can communicate cultural identity across languages while keeping the system clear, recognisable and practical.

Tongfang Dingxin Technology Co., Ltd | Design Assistant

Branding Support / Presentation Materials / Visual Asset Organisation

- ? Supported branding and visual communication projects through layout development, visual asset organisation and brand communication refinement.
- ? Prepared presentation materials, reusable graphic resources and visual documentation to support consistency across design outcomes.
- ? Assisted with feedback implementation, file organisation and collaborative design workflows during project development.
