

JUNCHAO ZHU

Creative Designer | Visual Communication | Brand Identity | Campaign Visual Design

Canterbury, Kent, UK | 7436311903 | junchaozhu2003@outlook.com | junchaozhu2003.github.io

PROFILE

Visual Communication graduate focused on brand identity, campaign visual design and cross-platform communication. I create research-led visual systems for digital products, campaigns and physical touchpoints.

SELECTED PROJECTS & EXPERIENCE

Nanchang City Symbols | Visual Identity System Project

Selected Academic Project | Brand Identity / Campaign Graphics / Cultural Communication

- ? Developed a city identity system introducing Nanchang through simplified landmark icons and accessible visual communication.
- ? Designed postcards, campaign graphics, calendars, tourism materials and multi-platform visual assets within a cohesive visual system.
- ? Created layout systems, colour palettes and mock-ups to test consistency across print, digital and object-based touchpoints.

Tongfang Dingxin Technology Co., Ltd | Design Assistant

Branding Support / Presentation Materials / Visual Asset Organisation

- ? Supported branding projects through layout development, visual asset organisation and brand communication refinement.
- ? Prepared presentation materials, reusable graphic resources and visual documentation for consistent design outcomes.
- ? Assisted with feedback implementation, file organisation and collaborative design workflows during project development.
